

**Merrion Cricket Club**  
**Notice to Members**  
**Early Season Activities**

---

There is no news as yet on the start of matches [or the format of competitions] for the new season. But the club has seen great activity over the last few weeks as the ground and surrounds have been prepared for the new season.

As of the 10th April the current position is as follows.

The club is being used as a Training Hub for a number of representative teams. The Irish Women, Munster and Leinster Lightning will all be practicing in Anglesea Road.

From the 27th of April [for the summer term] CUS will be practicing at Merrion on Tuesday, Wednesday and Thursday afternoons.

And most important of all for the club, youth training will start according to the government's schedule on 26th April.

An updated 'Return to Youth Training' protocol has been issued by Cricket Leinster  
<https://www.crickettleinster.ie/about/documents/view/02JM07A6XW/CI-R2T%20GEN%20GUIDE%20FOR%20CLUBS%20April%202021.pdf>

We would ask members to ensure that they follow closely the protocols as set out. Further guidance on how this applies to Merrion will issue shortly.
